

FAMILY FRIENDLY CARD GAMES

GO FISH

HOW TO PLAY

THE DEAL:

2 players – deal 7 cards each
More than 2 players – 5 cards each

Put the rest of the pack in the middle of the table. This is your 'Fishpond'

The youngest player starts first

Ask any player if he has cards you need -- you must have at least one card in your hand before asking for others of the same rank.

For example, if you already have a King, ask a player if he has any Kings. If he does, he must give them all to you. If you steal cards, your turn continues and you can ask any player for cards again.

If the player doesn't have the cards you need, tell them to 'Go Fish' and they pick a card from the 'fishpond'. If they do have what you need carry on asking a player until you can't play on!

Winner: the first player with four cards of the same rank!

SNAP POT

HOW TO PLAY

THE DEAL:

2 – 5 players deal out all cards to each player, one at a time. Each player puts their cards in a pile face down in front of them.

The player on the dealer's left turns over the top card from their pile and puts it face up.

The next player does the same and so on around the table.

When a player places a card down that matches the card on top of the pile, the person shouts SNAP! If two players shout SNAP the piles are combined and placed in the centre of the table face up. These cards form a 'SNAP POT'. Play continues but if a player places a card down that matches the snap pot they shout 'Snap Pot' and win all of the snap pot cards!

SPOONS

HOW TO PLAY

THE DEAL:

3 – 5 players deal 4 cards each face down

Arrange spoons in a small circle in the middle of the players. Use one fewer spoons than the number of players.

Each player must make four of a kind.

The dealer takes a card off the top of the deck so they have five cards in their hand. They remove one card and must pass it face down to the left.

Each player at the same time discards to the person on their left. The last player discards into the trash pile.

Cards must be picked up and passed around quickly. Once any player collects four of a kind, they must grab a spoon – all players must then grab the remaining spoons and leaving one player without a spoon!

This player is now out and the game commences until there is one player left – The Winner!
